

We're planting churches that change lives, and change the world.

PLANT A SEED. Converge MidAtlantic Seed Money Offering for Church Planting

Together we're planting churches that...help connect the disconnected to God...that meet the needs of the poor...that strengthen marriages and families...and create new ways to share the life-transforming Gospel of Jesus Christ to people who might never come to a church as they know it.

Our 2009 Seed Money Offering will be given to help support these visionary church planting leaders. They're committed to Jesus, and to making Him known to people in their communities. Please give to this year's offering. It changes everything.

We're planting churches that change lives, and change the world.
